

## Do you have questions about Covid-19?

If you're not asking questions, you should be. Many professional doctors and scientists around the world ARE questioning the science behind this. This false pandemic is a ploy to sneak in a radical change in society, without your knowledge, and it's got nothing to do with a virus. This change affects YOUR way of life, YOUR health, YOUR freedom, Human Rights and even your safety. This change is called Agenda 21/30 or, some know it as Sustainable Development, Globalization, The Great Reset, or The New World Order. There is nothing new about the New World Order, it has been planned for a long time, and has been well documented by reliable sources. This emerging world government are hoping you will accept this change through fear and panic. It's not the so-called pandemic with a 99.97% survival rate that you should fear, it is the coming police state, more draconian lock-downs, economic collapse and more erosions of YOUR freedoms. We are NOT going back to normal.

The good news is, there's not much you have to do, other than to absorb some of the knowledge, information and proof provided for you here, share it with others and do whatever you can, whatever you're comfortable with. The rest, as they say, is history.

People are being censored from speaking out. Youtube and other popular social media platforms are banning all criticism of this so-called pandemic, unless it's the official, sanctioned government narrative. Here are just some of the Doctors that urgently need to be listened to. There are many more.

Please go to [www.bitchute.com](http://www.bitchute.com) and search for these Doctors and Scientists: Dr. Andrew Kaufman, Dr. Rashid Buttar, Dr Judy Mikovits PhD, Dr. Dan Erickson, Dr Knut Wittowski, Dr Vernon Coleman and search for a documentary called Plandemic.

Please also look for these independent journalists and film makers: James Corbett (Medical Martial Law), Amazing Polly, Max Igan (thecrowhouse.com), Del Bigtree, Spiro, Janet Ossebaard, Michael of Bernicia, Magna Carta 2020 (thebernician.net).

Just go to [bitchute.com](http://bitchute.com) or [brighteon.com](http://brighteon.com) or [altcensored.com](http://altcensored.com) or [brandnewtube.com](http://brandnewtube.com) and type in COVID HOAX in the search bar to see a host of intelligent and well researched videos on the subject.

As of 19 March 2020, COVID-19 is no longer considered to be a high consequence infectious disease (HCID) in the UK. You can see the guidance issued by Public Health England on the UK Governments official website here:

Did they plan this beforehand? Yes they did. On Friday, October 18, 2019, a tabletop exercise called "Event 201" hosted by The Johns Hopkins Center for Health Security, World Economic Forum, and Bill & Melinda Gates Foundation was held. You can see it here @ <https://www.centerforhealthsecurity.org/event201/about>

What about the compulsory wearing of masks? This is where one has to be very careful in listening to state sanctioned, mainstream scientific organizations, such as SAGE or the WHO or Public Health England, where the science leans toward fitting an agenda as opposed to an unbiased and objective study from independent scientists. Please follow this link to see the real science behind the wearing of face masks: <https://www.covid19refusers.com/wp-content/uploads/2020/07/Science-showing-the-fallacy-and-inaccuracies-of-public-health-mandates-to-wear-face-masks.pdf>

Many public officials, police, private security guards patrolling public spaces such as shops, public transport and public events, will tell you in no uncertain terms, that social distancing and the wearing of face coverings is the law. This is blatantly untrue, as Mandatory or Compulsory in Legislation is not the same as law. At best it is a civil matter and should not require the physical intervention of a police officer. Has Covid-19 been identified as a legitimate disease, like Tuberculosis, Legionnaires Disease, Measles etc? Below is a link to a letter sent to the UK Government, on the 22<sup>nd</sup> June 2020, asking for the proof that the virus which causes the disease Covid-19 (SARS-CoV-2) has been isolated, purified and identified according to a gold standard procedure called “Koch's Postulates” is performed. To date there has been no reply. This letter has been signed by some prominent and distinguished members of the scientific and medical community. Please see the link here: <https://kevinpcorbett.com/coronahysteria/viral-challenge-letter-to-british-prime-minister.html?fbclid=IwAR2ms1yB-9krsez2u2>

The number of deaths that you've heard of in the mainstream media, have been manipulated to cause fear and alarm. Many death figures were from the very old, or people with severe underlying illnesses and co-morbidities, such as heart disease, late stage diabetes, pulmonary conditions etc, (that unfortunately would have probably died from the normal flu season anyway) and many death figures were/are from nursing homes and geriatric care homes. Doctors and nurses have been convinced by Government medical advisors to apply Do Not Resuscitate (DNR) orders for people over 60, people with co-morbidities or the severely disabled, because of the “risk factors” of Covid-19. This is an act of manslaughter, an act of gigantic criminal proportions, an act of treason and a betrayal of trust by both the NHS and the UK Government.

Please see many videos that discuss the issues above in a factually correct and unbiased way here: <https://www.ukcolumn.org/>

And finally, what is the purpose of this monumental scam? So that you will willingly take, even beg for, the Covid-19 vaccine, so things can go back to normal. I don't need to relate to you the risks of taking an untested, DNA changing and potentially deadly vaccine, but even if you decide to, life will not go back to normal, and you will be giving away your consent, your power and probably even your health to an evil political agenda that are hell bent on depopulation and the total control of the planet's population that's left. I might also add that, if we remain in silent obedience, Bill Gate's poison vaccine may not be a matter of choice.....

Please, please do your own research starting with some of the information provided here, and please try to tell others, however difficult it may be. The future is in our hands and ours alone. We can all make a difference if we come together and speak the truth with one voice. If we allow ourselves to become divided and disparate and fearful, then we can expect a pretty bleak future for us and the generations that come after. Please stand up and speak out. What will you say to your children or grandchildren when they ask what you did to stop this dystopian future they have planned for us?

**Thank you for taking the time to look.**
