COVID-19 Roadmap
The 12 Step Plan to Create a Totalitarian "New World Order"

1. Create a Problem

■ Take a flu-like illness with very common symptoms, that can be easily treated and a **99.97% recovery rate**. Essentially **a bad dose of seasonal flu**, but like the regular flu can be dangerous to people with weak immune systems or serious underlying health issues. Call it COVID-19.
2. Provoke a Terrified Reaction

■ Use the mainstream media to provoke massive fear. Ensure daily reporting of any death of someone "<u>with</u>" COVID as being a death "<u>from</u>" COVID. Report all "cases" even though **most people have no or mild symptoms**. Bribe scientists with grants and doctors with bonus payments for supporting testing and vaccinations.

3. Impose Lockdowns

■ Impose national and local lockdowns. Commence the "**Great Reset**" to **transfer wealth and power up to global corporations and the financial elite:** (1) Destroy small businesses; (2) Strengthen global corporations; (3) Cause a massive rise in State debt to international financiers; (4) Push cashless payments.

4. Exaggerate "Cases"

■ Use **totally unreliable PCR tests** to massively exaggerate the number of "cases" or so-called "infections" among healthy people who have no symptoms and cannot spread any infection.
5. Mandate Face Masks

■ Promote fear and to signal public compliance by mandating masks. In reality, cloth masks are totally ineffective against <u>any</u> virus. **Prolonged use of masks actually increases health risks** due to lack of oxygen, breathing in waste air and promoting fungal infections.

6. Impose Contact Tracing

■ **Normalise surveillance.** Get people to accept having all of their personal movements and contact with people tracked, recorded and analysed.

7. Impose Health Passport ID systems

■ Introduce "heath passport" apps for smartphones as a form of **biometric identity card** to monitor and **control people's freedom of movement and ability to access education, employment and all types of services.** These will become a global digital **identity system** that will compulsory to go anywhere.

8. Activate 5G Microwave Networks

■ 5G networks allow constant gathering of huge amounts of personal data from smartphones and all internet connected devices. 5G massively increases the amount of high-frequency **microwave radiation** that can reduce blood oxygen levels and **trigger COVID-like respiratory symptoms**. 5G illnesses will be blamed on COVID to justify vaccinations.

9. Impose Mandatory Vaccinations

■ Mandatory vaccination will generate **massive profits for Big Pharma corporations** who have **100% legal immunity** for all injuries and deaths. Vaccines will **erode natural immunity**, increase **sterility** rates and promote **global depopulation**. New DNA and RNA vaccines will create **genetically modified humans** bioengineered for obedience, sterility and easy control.

10. Create Cashless Economy

■ Cash allows people to shop in privacy. With cash the State does not know what, where or when you buy something. A cashless economy means a **total loss of financial privacy** as all purchases can be constantly monitored and controlled. Access to digital finance can be withdrawn from anyone who dissents from officially approved purchases, views or behaviour.

11. Compel RFID Microchip Implants

■ Move from Health Passport apps to "more convenient" digital implants and then to remote controlled Radio Frequency Identity (RFID) **implants** that allow **constant 24-7 monitoring of your health, movements, contacts and digital payments.** With these, all human privacy will cease. Initially, these chips will be voluntary. Once normalised, they will become compulsory.

12. Arrive at the Totalitarian New World Order

■ A depopulated, **high-tech totalitarian world** with genetically modified humans, genetically modified for obedience, weakened natural immunity, micro-chipped, permanently connected to the internet, monitored and controlled 24-7 by artificial intelligence. Human beings will be reduced to the level of **"biological machines"** living in a totalitarian prison. The real goal of this so-called "Great Reset" is **high-tech Fascism / Communism.** COVID is merely the excuse.
